| An Authentic Israel Experience in Europe

Dzien dobry! Jo napot kivanok! Dobry den! Hallo! Hello and welcome!

Thank you for choosing to travel with us to Europe on an Authentic Israel experience. We look forward to sharing 12 memorable days together as we travel from Poland to Hungary and on to Slovakia, Austria and Czechia. Together we will explore, learn, bear witness, and share moments of joy – returning home with a new sense of perspective on Europe’s Jewish history and its world heritage.

The *Our Story* journey is designed to include a rich variety of activities, historical tours and cultural opportunities. Our days will be very full and on-the-go – with lots of walking (on lots of cobblestones), standing, seeing, imagining and experiencing. This is certainly not a through-the-bus-window style tour! We want you to have the fullest and most authentic experience possible where it happened.

We hope you find this pre-trip preparation guide helpful. If you still have questions, do not hesitate to contact us directly. Otherwise, we look forward to welcoming you shortly, and we certainly hope you are looking forward to a unique journey ahead.

WHAT'S INCLUDED

The program covers all touring, deluxe bus transportation (with a bathroom), all meals listed as included, hotel accommodations including portage, and a fantastic staff team. You'll be responsible for your connecting travel for the start/end of the program, any meals not included, gratuities (can be included in your bill) as well as travel insurance should you wish to obtain it (www.grouptravelinsuranceisrael.com).

VISA & PASSPORT

Check to make sure that you know where your passport is and that it is not expired or about to expire. Your passport must be valid for at least three months beyond your planned departure date – and validity of at least six months is recommended. If your passport expires within this period, please start the renewal process today. Many airlines will deny you boarding if your passport is not valid according to this policy. Information about ordering a passport is available at <http://travel.state.gov/passport/>.

If you are traveling to Europe on a USA, Canadian, or European Union member country passport, a visa is not needed to enter. If you are traveling on a passport from another country, check not to see if a visa is needed. Our office will provide documentation as needed.

ARRIVAL & DEPARTURE

Travelers are expected to make their own air travel arrangements to and from Europe, although we will be happy to review your plans before finalizing your tickets. Once your plans are set, send your details to register@authenticisrael.net including your arrival and departure times, airlines, and flight numbers.

Arriving to Warsaw

Travelers are responsible for arriving to our hotel in Warsaw, Poland by 2:00pm on the first day of the program, which means you will want to avoid flights that arrive after 12:00pm. Taxis from Warsaw Chopin Airport to our hotel should cost about \$15 (can be paid by credit card) and Uber rides are also available from the airport. Rooms will be available for guaranteed check-in by 3:00pm, and you will be able to stow your luggage if you arrive earlier. The hotel will have your reservation pre-recorded under your name. You will need to present your passport and credit card for incidentals.

We have scheduled a complimentary pre-tour experience on Wednesday morning with Mi Polin – an artists' collective who embody the renaissance of Jewish life in Poland today. Travelers who wish to participate will meet in the hotel lobby at 10:00am, and please notify us in advance if you plan to do so. The program officially begins with meet-up in the hotel lobby at 2:30pm.

Our Story – A Journey to Poland & Central Europe

May 22 – June 2, 2019 | An Authentic Israel Experience in Europe

NOTE: If you would like to arrive in Warsaw the night before the start of the program, contact us about extending your hotel booking based on our group rates.

Departing from Prague

On the last day of the program, travelers should book return flights from Václav Havel Airport Prague at their discretion, but please consider that hotel checkout is at 11:00am, and no programming is provided today. We will arrange for a single complimentary bus transfer to the Prague airport in the morning based on when the majority of departure flights are scheduled, but we cannot guarantee return airport transfers to accommodate all travelers. Taxis to the Prague airport from our hotel will cost about \$30 (can be paid by credit card) and Uber rides are also available to the airport.

What happens if my flight is delayed?

Contact our North American emergency line at 240-668-4559 and email bonnie@authenticisrael.net if there is a chance you will arrive later than expected in Warsaw. If necessary, we will make an alternative meeting plan and/or assist you with filing a trip interruption claim if you have travel insurance.

STAFF AND TIPPING

The program is led by our guide, Gadi Ben-Dov and by Ellen Bernhardt, who will serve as our group leader. Along the way, Gadi and Ellen will be joined by local guides who will support the tour in each city we visit. Many of the local staff are Jewish and will be able to provide unique insights on contemporary Jewish Europe along the way. A dedicated touring bus and driver(s) will be with us throughout the tour.

The cost of your program does not include gratuities for the professional staff – our guide, group leader, driver, and local staff. Because the local staff will be with the group on a rotating basis by country, we highly recommend pre-paying \$125 per traveler in gratuities through our office so that it can be distributed directly on your behalf to our guide, driver, and local staff by country. Contact us if you wish to pre-pay your gratuities.

PACKING TIPS AND WEATHER

- Weather in Central Europe during this time of year typically ranges from the 60's to 70's.
- Rain is always a possibility so be sure to bring a comfortable, waterproof jacket and umbrella.
- Though portorage is included at the hotels, bring rolling suitcases for ease of transit.
- Pack your medication, toiletries, and a change of clothes within a carry-on bag in case your checked luggage is delayed in transit.
- Consider bringing a small traveling bag on the bus each day to store extra clothing, personal belongings and a light jacket/sweater for the evenings if we are not returning to the hotel earlier.
- We will be doing a great deal of walking, so packing comfortable walking shoes (e.g. tennis shoes) is essential.
- If you plan to attend Shabbat services on Friday evening, please bring clothing appropriate for a synagogue. Women should have covered shoulders and a dress or skirt. Men should wear a nice sport shirts and casual pants – but no jeans.
- Laundry services are available in most of the hotels where you will be staying for an extra cost.
- If you plan on visiting the thermal baths in Budapest, pack a bathing suit, towel and flip-flops.
- In the interest of maximum cautiousness, we recommend not dressing in a way that is recognizably Jewish or American.

Contact us if you have any more specific packing related questions.

ELECTRICAL CURRENT

If you plan to bring small electrical appliances, Europe uses a 220 volt electrical current and the outlet types are different as well (two 4mm circular prongs). You will need an adapter to plug your items into the wall. In order to avoid "frying" any electrical items, you may also need to bring a voltage converter (note: this is already built into most laptop computers, iPhones, and digital camera battery chargers).

FOOD AND WATER

The program covers a daily buffet style breakfast in the hotels – which is typically comprised of salads, cheeses, and hot breakfast dishes. In some cases, included meals will be kosher (as noted), and in other cases there will be vegetarian and non-kosher beef/chicken dish options. Other meals are at your own discretion. Tap water in Europe is safe to drink. If you prefer bottled water, it is widely available.

Travelers should be sure to note any special dietary needs as part of your registration. We make a good faith effort to accommodate food allergy considerations, however, we cannot make absolute guarantees on behalf of our meal providing partners.

MONEY MATTERS

The currencies vary widely according to the countries we visit, and we encourage you to check the updated local exchange rates ahead of the trip at www.xe.com:

- The local currency in Poland is the Zloty (US\$1 = 3.75 Zloty)
We recommend obtaining Zlotys for spending money on arrival at the Warsaw Airport
- The local currency in the Czech Republic is the Koruna (US\$1 = 22.50 Koruna)
- The local currency in Hungary is the Forint (US\$1 = 275 Forint)
- The local currency in Austria and Slovakia is the Euro (US\$1 = 0.87 Euros)

You can exchange your home currency for local currency prior to departure or by using ATM machines throughout Europe. You can also exchange money during free time when we are traveling in cities, although the rates may not be as advantageous.

If you choose to use your personal ATM card or credit card, consider this advice:

Our Story – A Journey to Poland & Central Europe

May 22 – June 2, 2019 | An Authentic Israel Experience in Europe

- If your ATM card has a Visa, MasterCard, Star, Cirrus, or Maestro logo imprint, there should not be a problem withdrawing money. Other ATM network cards may work, but we encourage you to check with your local bank if you have any doubts. ATM machines have instructions in several languages including English. The money withdrawn will be in the local currency of the country.
- Major credit cards like VISA and MasterCard are accepted throughout Europe. We advise that you contact your bank to inform them you are traveling abroad and using your cards to make purchases to ensure fraud alerts and security holds are not placed on your accounts.
- Check with your bank for exact fees charged when using ATM and credit cards. Some credit card companies, such as Capital One, do not charge foreign transaction fees.
- Bring your bank’s contact information and place it in a separate, secure location in the unlikely event your wallet or purse is lost or stolen.

NOTE: Public bathrooms will generally not be free, which makes small local change especially useful!

STAYING CONNECTED

Phone & Internet

Prior to using your cell phone abroad, contact your cell phone provider to understand the costs associated with international roaming. You may also want to explore the possibility of purchasing a local European SIM card in advance of your travels. Our hotels will have varying degrees of Wi-Fi availability – sometimes complimentary and sometimes for an extra fee.
