

Dear Partners,

As of January 1, 2025, all travelers to Israel must obtain a valid electronic travel authorization (ETA-IL) prior to entering the country. The online application only takes a few minutes, and you will want to select "Visit (Tourism)" as the primary reason for your entry (do not select "Volunteering"). The ETA-IL is valid for two years and costs 25 NIS (~US\$7.00). Apply for the ETA-IL at least 72 hours before your departure, and we advise you to carry a printed copy during your travels.

To obtain your electronic travel authorization, go to <https://israel-entry.piba.gov.il>. Below is a manual explaining the steps in order to complete the entry application

NOTE: The ETA-IL does not pertain to travelers entering Israel with an Israeli passport.

Step 1 - If you are applying for yourself please mark it here
